

2019 LEXUS CHAMPIONS FOR CHARITY National Championship

Those with a passion for golf can appreciate the qualities of balance, grace, and precision – words that aptly describe Lexus automobiles. Those who play the game also appreciate the virtues of competition, generosity, and charity – all of which can be found in the Lexus Champions for Charity golf series. Beginning with 63 events in 1989, Lexus Champions for Charity has helped raise over \$420 million for charity. This year, the series aspires to raise even more money at almost 150 events nationwide. Lexus Champions for Charity pairs great golf with charity, as amateur golfers participate in tournaments held at the finest golf and country clubs throughout the United States. Lexus supports the local tournaments by making a donation to each associated charity and offers competitors the opportunity to win a Lexus and represent their charity in the annual grand finale, the Lexus Champions for Charity National Championship at Pebble Beach Resorts in December. The charities represented by the top 10 net and top 5 gross teams will divide a \$100,000 purse, with the winning net team claiming \$17,500 for its hometown charity.
