About Us

The membership of St. John Neumann Men's Club is made up of hard-working regular guys whose goal is to share in God's work through the promotion of camaraderie and a fellowship of enduring friendships centered on Jesus Christ. The Men's Club promotes faith development, fellowship, and service to build a better Parish community at St. John Neumann Catholic Church. Opportunities to participate cover a wide spectrum of activities — spiritual, social, stewardship, and service.

The Men's Club also provides a means to enhance Christian spirituality among the men of the Parish. Since our founding in 1981, thousands have been given opportunities to go on retreat. Parish clergy are present at most of our events and meetings. We take action through service to support the work of the Parish, its ministries, and the wider community-at-large. Thanks to our annual Thomas Rhodes III Golf Tournament and the work of our members, we are able to raise funds in support of our charitable projects. These funds assist dozens of spiritual and community outreach ministries.

Our monthly dinner meetings provide an opportunity for men of our Parish to enrich our faith, build friendships, and hear informative and uplifting speaker presentations. Meetings convene at 6:30 PM with fellowship, followed by a specially prepared meal, and an interesting program. Our speakers have included the Archbishop and Auxiliary Bishop of Miami, the President of St. Thomas University, business leaders, media personalities, and sports celebrities.

“Your will be done on earth as it is in heaven.” - Matthew 6:10
