

The Men's Club Scholarship Committee is pleased to announce the winners of the SJN Men's Club Scholarship Essay Contest.

These Students persevered through a Pandemic that is still very active in our lives. They rose themselves above the fray to complete a task that I am sure they did not want to, given what was happening in the world around them. By rising to the challenge before them they laid a solid groundwork for their future. We look forward to watching these students' victories in the years to come.
